Re: Britten

Re Trullie Starnes

Operative left Mr. Watson's office at 8:30 A.M. with a ledger and map and boarded the 8:54 A.M. train for Newark, N.J. and proceeded to Mr. McCarter's office where I left same as per instructions.

Operative then went to Belleville and went from store to store on Washington Ave., but could not find anyone by the name of Mrs. Elizabeth Allen, who is Mrs. Britten's daughter.

Respectfully submitted;

C.M.
